Sri M. P. PATIL.—Sir, there is not much to be said in reply to the objections raised by the Hon'ble Members. The Hon'ble Members seem to be under a wrong impression that there is no necessity for this Bill. In the Statement of Objects and Reasons the point is made quite clear that the circumstances still exist making it necesary to continue this Act until uniform legislation is made.

10-30. A.M.

The period of the Act is being extended not only to have a uniform Act for the whole State but also due to the fact that circumstances exist for the justification of this Act. Therefore it is necessary to extend the period of this Act only up to 1st January 1959. It may be seen that this Act was passed by the Coorg Government in 1951 and they continued this Act until the period of re-organisation of States. Hon'ble Members may be aware that the circumstances which existed before the re-organisation and the circumstances which exist now are not different at all. The same circumstances continue even today. There is a scarcity of residences in Mercara in Coorg area and therefore it is necessary to continue this Act for a further period. However, I assure Hon'ble Members that Government will withdraw this Act as soon as it is found that it is not necessary to continue the provisions of this Act in the Coorg area.

THE MADRAS PRESERVATION OF PRIVATE FORESTS CONTINUANCE BILL, 1958.

Motion to consider.

Sri H. S. RUDRAPPA.—(Minister for Agriculture).—Sir, I move:

"That the Madras Preservation of Private Forests Continuance Bill, 1958, be taken into consideration."

Mr. SPEAKER.—Motion moved :

"That the Madras Preservation of Private Forests Continuance Bill, 1958, be taken into consideration."

Sri H. S. RUDRAPPA.—Sir, I want to place a few facts before the Hon'ble House. We were forced to pass an Ordinance because the Madras Preservation of Private Forests Act, 1949, was due to expire on the 2nd of December 1957. Therefore we find it necessary to continue the Act for a further period of one year by which time we will be able to have an Act which will be made applicable throughout the State. We have brought this Bill to replace the Ordinance.

The most important clause in the Bill is that private forests which are more than 100 acres in area are being regulated for exploitation in a manner which is not detrimental to the interests of the State. Therefore, according to clause 3 a person who owns more than 100 acres of forest area has to obtain licence or permit from the Collector of that district to exploit the forest produce. That is the only important clause. I think all my friends will agree that there is necessity to continue this Act which is to regulate the exploitation of the forest produce. Therefore I request the support of the Hon'ble Members of this House for this Bill.

THE HYDERABAD HOUSES (RENT, EVICTION AND LEASE) CONTROL (MYSORE AMENDMENT) BILL, 1958.

Motion to consider.

Sri M. P. PATIL.—(Minister for Revenue).—Sir, I move :

"That the Hyderabad Houses (Rent, Eviction and Lease) Control (Mysore Amendment) Bill, 1958, be taken into consideration."

Mr. SPEAKER.—Motion moved :

"That the Hyderabad Houses (Rent, Eviction and Lease) Control (Mysore Amendment) Bill, 1958, be taken into consideration."

Sri M. P. PATIL.—Sir, this Bill has been moved with a view to amend section 31 of the original Act. The House Rent Control Acts of the other areas have a provision to exempt a particular class of houses; but the Hyderabad Act has no such provision and therefore with a view to make that provision in the said Act, this Bill has been moved. I hope Hon'ble Members will approve of it.
